Memorandum No.26023.Tr.I/53-4 dated 27th April 53.

Sub: MOTOR VEHICLES- Tractor and Trailers- Collection of permit fee and fee for issue of fitness certificates- Instructions-

Ref: From the Secretary, Central Road Traffic Board No. 39324/G2/52 dated 18-3-1953.

The Secretary, Central Road Traffic Board is informed that no permit fee can be collected for trailers as they do not require separate permits - vide Memorandum No. 53554.Tr.I/52-2 dated 26-4-1952.

2. According to section 2(32) of the Motor Vehicles Act a 'trailer' means any vehicle other than a side car drawn or intended to be drawn by a motor vehicle. A trailer is not included under transport vehicles as defined in section 2(33) of the Motor Vehicles Act. A trailer by itself cannot be a motor vehicle unless it is used in combination with another motor vehicle. Under section 38(1) of the Act, Certificate of fitness is required for a transport vehicle only. A combination of a tractor and a trailer and not a trailer alone would be a transport vehicle so as to require a fitness certificate. So only a tractor would need a fitness certificate and not the trailer. As a trailer is not a transport vehicle no certificate of fitness is necessary for a trailer and the question of collecting fee does not arise.
